Accreditation

Faculty of Biology
Universitas Gadjah Mada

Doctoral Program

by Course and by Research

Study Interest

1. Plant and Animal Systematics
2. Plant and Animal Physiology
3. Plant and Animal Structure and Development
4. Microbiology and Biochemistry
5. Biotechnology
6. Genetics and Breeding
7. Ecology and Conservation

Requirements:

1. Minimum GPA of Master's Program is 3.25
2. Study Programs from Master's Program with accreditation at least B
3. TPA with a minimum score of 500
4. English Proficiency Test from the UGM AcEPT test type (≥ 209), TOEFL PBT (≥ 40), IELTS (≥ 5.0), TOEFL IBT (≥ 45), TOEFL ITP (≥ 450)
5. Recommendation from two people (institutional leader or lecturer)
6. Have a study permit or study assignment letter if you are already working
7. Have a research interest or pre-proposal document
8. Submit a memorandum of understanding document or a cooperation agreement with UGM or a letter of determination as a scholarship recipient for the collaboration pathway
9. Submit publication documents

Doctoral Program by Course

Learning System

1. Lectures are carried out through blended learning
2. Study load is 46-48 credits
3. Each student is guided by the supervisor team consists of one supervisor (from UGM) and a maximum of supervisors (UGM/outside UGM)
4. Research is carried out with the approval of the supervisor team and ethical clearance (if needed) can be carried out inside or outside UGM under supervision of the supervisor team
5. Report the progress of the research process in seminar attended by students, the supervisor team, the head of study program

Courses	Credits
Compulsory Courses of Study Program (MKWP) Research Methodology and Scientific Writing	2
Compulsory Courses of Study Program (MKWP) Science Philosophy	2
Compulsory Courses of Study Program (MKWP) Capita Selecta	2
Dissertation Supporting Courses (MKPD) from the same fields or Dissertation Supporting Courses (MKPD) from different fields	6 / 8
Comprehensive Examination	4
Compulsory Seminar (National/International)*	3
Research I	2
Publication	8
Research II	2
Research III	2
Dissertation Eligibility	3
Dissertation Examination	10
Total	46 - 48

Doctoral Program by Research

Learning System

1. Lectures are carried out through blended learning
2. Study load is 46 credits (8 credits of lectures; 38 credits of research, publications, dissertation seminars)
3. Each student is guided by the supervisor team consists of one supervisor (from UGM) and a maximum of supervisors (UGM/outside UGM)
4. Research is carried out with the approval of the supervisor team and ethical clearance (if needed) can be carried out inside or outside UGM under supervision of the supervisor team
5. Report the progress of the research process in seminar attended by students, the supervisor team, the head of study program
6. Graduation requirement is a GPA of 3.25 with a total of 46 credits
7. Publication requirements are at least two publications in reputable international scientific journals: or one publication in reputable international scientific journals and two publications in reputable international seminar/conference proceedings

Courses Components	Credits
Compulsory Courses of Study Program (MKWP)	4
Dissertation Supporting Courses (MKPD)	4
Research	12
Dissertation (Comprehensive Examination, Seminar, Dissertation Examination)	14
Publication	12
Total	46
